

Alabama Technology User Groups *updated 4.11.16*

In 2011, *upon the request of several state agencies*, the **Department of Finance, Information Services Division, (ISD)** initiated the start-up of technology user groups. **Free** membership is open to anyone-of-interest and user groups may be chaired by private or public sector individuals. Meetings are held at our host-site, the **Chamber Business Resource Center** at 6600 S Court St, *downtown Montgomery*.

Today there are three "active" technology user groups for **SharePoint, Mobile Solutions and Project Management**. Contact deborah.hall@isd.alabama.gov/334-242-3599 for more information and/or to be added to the email distribution lists.

Mobile Solutions User Group (ALMUG)

ALMUG is dedicated to educating, promoting and supporting the mobile technology community in the River Region. The purpose of the user's group is to develop a collaborative framework that leverages and shares the knowledge and expertise found in our area's businesses and government agencies. Monthly sessions are scheduled for the 3rd Thursday of each month, but are subject to occasional rescheduling to accommodate guest speakers.

Alabama SharePoint User Group (ALSPUG)

ALSPUG's goal is to combine the resources of the participating agencies to better serve our business users by improving collaboration and communication using SharePoint technologies. Our group targets end users, developers, administrators, implementers, and managers. **ALSUP** meets quarterly in Montgomery on the third Tuesday in January, April, July and October. We will be hosting various SharePoint experts to learn, share tips, tricks, and ideas on the various uses of SharePoint products and related technologies. <http://www.alspug.com/SitePages/Home.aspx>

Alabama Project Management Users Group (AL-PMUG)

The mission of **AL-PMUG** is to work collaboratively to promote best practice standards and methodologies in the project management discipline, while improving the quality and success of projects within the State of Alabama.
